About me:

Current graphic design student, hoping to learn and explore more about the field. Learning the Affinity suite, proficient in the Adobe suite, even better at learning new software.

Experience:

2024 - Peak Print Internship

Interned at Peak Print (https://peakprint.ca/) as a graphic designer, creating business card templates, labels, and other miscellaneous print-based designs.

2023-2024 - IT/AV Monitor at OCADU

Worked as a student IT/AV monitor for OCAD Univeristy, mainly in equipment loans and lab support, supplied equipment to students and staff in loans and supervised computer labs.

2018-2020 - High School Experience

Volunteered as the graphic design lead for my high school robotics team (FRC team 7721/849), designing apparel, promotional materials, and overall branding for the team, also briefly teaching younger students software.

Education:

2020-Present
OCAD University (Bachelor of Design):
Average 70%

2016-2020
Unionville High School: Average 80%+

Skills:

Adobe Suite, Affinity Suite, Coreldraw, HTML, CSS, Javascript, Maya, Blender

Strong typesetting, print and web design knowledge, independant problem solving, solid teamwork
